

EXCITING NEWS

Gastroenterology Associates is proud to announce the formation of Advanced Digestive Care, LLC. We are six GI practices that have come together to provide accessibility of quality digestive health care for the entire Washington metro area. By uniting, patients gain greater access to our elite skills with advanced specialties, along with world-class technology, devoted doctors and advanced practitioners who are passionate about patient care.

GASTROENTEROLOGY ASSOCIATES

**OUR NAME AND LOGO HAS CHANGED BUT OUR FACES
AND DEDICATION TO PATIENTS HAS NOT!**

Our Mission is simple:

TO IMPROVE THE DIGESTIVE HEALTH OF OUR COMMUNITIES, ONE PERSON AT A TIME

Our Vision:

TO LEAD THE MOVEMENT OF PEOPLE-CENTERED GI HEALTH CARE

Gastroenterology Associates has proudly provided care to Northern Virginia since 1976.

Our long-standing reputation with the community offers patients the reliability and trustworthiness needed to feel secure in their medical decisions.

Grand OPENING

We are very excited to announce the opening of our new
Warrenton Endoscopy Suite located at
170 W Shirley Ave, Suite 205 in Warrenton, VA

We also see office patients at this new location.

We are excited to open our second
endoscopy suite in the
Northern Virginia area.
Opening the endoscopy suite in
Warrenton allows us to provide
local care to our friends in the
Warrenton/Culpeper area.

Our first endoscopy suite was opened in
2009 in Gainesville, VA. Both of our
endoscopy suites are AAAHC and ASGE
accredited.

We perform the following procedures in
both endoscopy suites; Colonoscopy,
Upper Endoscopy,
and Flexible Sigmoidoscopy.

We also provide infusion services for Crohn's
and Ulcerative Colitis patients of Remicade,
Entyvio, and Stelara. We infuse Injactafer for
patients with iron deficiency anemia.

If you have Crohn's, ulcerative colitis or
iron deficiency anemia, please speak with
provider about treatment options.
